

NANAVATI
MAX Super Speciality
Hospital

Date: 27th Oct, 2025

To,
Ms. Anoushka Tandon
Founder, Sonic Serenity

Subject: Letter of Appreciation

Dear Ms. Tandon,

Nanavati Max Super Speciality Hospital, one of Mumbai's leading healthcare institutions with over seven decades of compassionate service, has always believed in the holistic well-being of its patients and patrons. Our hospital serves thousands of individuals every year, combining advanced medical expertise with human warmth and empathy.

It was, therefore, a pleasure to host you for the introduction of Sonic Serenity, the Generative AI-powered platform you have built and the music therapy session conducted on 28th September 2025 for our senior Citizens Group. The session was deeply appreciated by all participants. Your ability to create an environment of peace, connection, and positivity through music was truly inspiring.

Your vision of merging technology with the timeless art of music to promote mental and emotional wellness is both innovative and noble. By introducing this form of therapy to over 100 of our senior patrons, you have helped spark awareness that will surely create a ripple effect encouraging many others to embrace music as a path to emotional and physical well-being.

On behalf of the Nanavati Max Care family, we extend our heartfelt appreciation for your contribution.

Warm regards,

Kaushal Shethia
Manager – Community
